Please join us for the Hawaii Première of this heart-warming, eye-opening documentary, which is rapidly gaining an international following. The Director, Ms. Fumiko Irie, will be present to share her insights.

Katsuko is a teacher of impaired children in Japan. Her insightful narration reveals the incredible wisdom that this forgotten segment of our school population has to teach us about our own lives. Be sure to see this screening, and experience the awakening of your own heart, as you discover "The Miracle of the Gifted Quarter."

養護学校の先生をしているかっちゃん(山元加津子さん)は、養護学校の子供たちとのふれあいの中で子供たちの持っている素晴らしい性質や力に気づいた。どんな表現にも心耳を傾け、わかろうと努力し続けたかっちゃんが発見した子供たちの使命。その命の神秘を伝える旅が始まった。。。

考古学の視点から、また、医師や科学者のお話も交え、すべての命を受け止めた愛と感動のドキュメンタリー。ハワイでの初上映を記念し、監督の入江富美子女史をお迎えして、お話も伺います。
